

GEORGIA THESPIAN CONFERENCE 2019 - Partnering lifts workshop

INDEMNIFICATION / RELEASE OF LIABILITY AGREEMENT

Ashley Ware and Marqee Ivory will be presenting several partnering workshops at Thespian Conference this year. These workshops may include, but are not limited to, skills such as trust fall and spin, frog hop, roller blind, 360 Flip, fish hook, etc.

Many of these activities involve significant physical exertion and frequently involve the participants being lifted. Because of the nature of these activities there is an inherent risk factor, just as there is when participating in any sport, gymnastics, cheerleading, etc.

While the safety of the participants is of paramount concern to the instructors, and every effort will be taken to minimize the possibility of injury, the risk cannot be entirely removed.

Even though no injuries are expected, all participants and their parent/guardian(s) need to be aware of the nature of the workshop they are choosing to participate in. If a Thespian has any medical issues that prevent them from safely participating in strenuous physical activity they should not attend these workshops.

In order to be allowed to participate in any of the partner lifts workshops, Thespians must print out and bring a fully completed and signed: INDEMNIFICATION / RELEASE OF LIABILITY AGREEMENT to the workshop.

[Any participating thespian must have parental/guardian signature even if they are 18 years of age.]

No Form = No Participation = No Exceptions

*Please note the number of participants in these workshops will be limited as necessary for safety reasons. *

All participants are expected to come wearing appropriate attire. This means flexible workout/dance type clothing. Loose/baggy clothing should not be worn as it may present a safety risk.

Please do not wear any jewelry; participants will be required to remove ALL jewelry for safety reasons.

All training is conducted at the discretion of the instructor. If the instructor feels that allowing you to attempt a skill is beyond your capabilities and/or may cause you, or someone else, harm then they will not allow you to attempt that skill. By participating in this workshop you are agreeing to respect and obey all directions given by the instructors at all times. Furthermore, if either of the instructors feel that a participant is not paying attention or obeying instructions at ALL TIMES, the instructors may ask the participant to leave.
